TOOL STEEL MULTI-ANGLE DRILLS

ICS

WIS

SPECIAL PURPOSE

DIAMOND STYLE POINT

1/4"
HEX SHANK

TITANIUM (TiN)
NITRIDE COATED

Multi-Angle Drills are designed with 6 cutting edges to drill forward, backward, sideways, straight, or in a curve up to 90°. Used to drill wood, composites, plaster board, plastics, etc... They drill 3X faster than spade bits and holes as smooth as forstner bits.
