

HIGH SPEED STEEL 1/2" SHANK PERFECT POINT® WOOD DRILLS

ICS

WIS

SPECIAL PURPOSE

PERFECT POINT®

1/2"
ROUND SHANK

3" FLUTE LENGTH
6" OVERALL LENGTH

Perfect Point® Wood Drills with 1/2" Shank are designed to drill large, perfectly round, flat bottom holes or through holes without splintering or tearing wood grain surface. They are unique in that they do not tear wood grain when breaking through exit side of hole. They outperform and last three to five times longer than Brad Point Drills, Dowel Drills, and Forstner Bits.

Fractional Sizes (Reduced Shank) 17/32 To 1-1/2" Dia.
