

HIGH SPEED STEEL ADJUSTABLE HAND REAMERS

ICS

WIS

GENERAL PURPOSE

RIGHT HAND CUT

Adjustable Hand Reamers are designed with enough adjustment to ream almost any odd size hole encountered in reaming. The blades are made of high speed steel for long life and can be adjusted by loosening one nut while tightening the other. They are used mostly for repair work in the field. They are also known as Adjustable King Pin Reamers.

ITEM NO.	INDUSTRY SIZE	RANGE OF ADJUSTMENT	BLADE LENGTH	OVERALL LENGTH	NO. OF BLADES	PRICE
AHR 016	8A	1/4 to 9/32	1-11/32	3-1/4	4	\$ 35.68
