

# TAP AND HEX DIE SETS

## PLASTIC CASES

65 Piece Tap and Die Sets were originally designed to be a professional general purpose tap and die set for mechanics and DIY'ers for maintenance on domestic cars, motorcycles, and machinery that were manufactured using the unified inch thread standard. Each set contains the most popular sizes (#4-40 to 1-14) sizes that mechanics commonly use. Plastic case has individual compartments for tap and die storage and easy access.
