

# 45 PC CARBON TAP AND ROUND ADJUSTABLE DIE SET

## PLASTIC CASE

45 Piece Carbon Steel Fractional Tap and Die Sets were originally designed to be a basic general purpose tap and die set for mechanics and DIY'ers for maintenance on domestic cars, motorcycles, and machines that were manufactured using the unified inch thread standard. Each set contains the most popular sizes (1/4-20 to 1-14) that mechanics commonly use. Plastic case has individual compartments for tap and die storage and easy access.
