

**COMBINED DRILL & TAP**

Metric .....	214
Pipe (NPT) .....	214
Standard .....	214

DIE SETS .....	236, 240
----------------	----------

DIE STOCKS .....	248
------------------	-----

**DIES****Hex Rethreading (Hex Nut Diameter)**

British Standard Hand .....	232
Heavy Duty - HSS - Black & Gold .....	239
Left Hand .....	233
Left Hand Metric .....	235
Metric .....	235
Metric - Special Thread .....	235
Pipe - NPT .....	233
Sets .....	236
Special Thread .....	234
Standard .....	233

**Hexagon (Standard Diameter)**

British Standard Pipe (Metric) .....	237
Heavy Duty - HSS - Black & Gold .....	238
Metric .....	237
Pipe - NPT .....	237
Pipe - NPT - HSS - Black & Gold .....	238
Sets .....	240
Standard .....	237

**Round**

British Standard Hand .....	232
Left Hand .....	227
Left Hand Metric .....	227
Metric .....	228
Metric - Special Thread .....	229
Pipe - NPT .....	231
Pipe - NPS .....	231
Special Thread .....	230
Standard .....	226

**Square**

Pipe - NPT .....	239
------------------	-----

**DISPENSER CABINETS**

Tap .....	244
Tap & Drill .....	244

DRILL & TAP SETS .....	244
------------------------	-----

**HOLDERS**

Floating Die .....	248
Hex Die .....	248
Round Die .....	248

**SCREW EXTRACTORS**

Helical Flute .....	204
Sets .....	205
Straight Flute .....	205

**SCREW PITCH GAUGES**

Fractional .....	249
Metric .....	249

SCREWDRIVER - DIE STOCK .....	249
-------------------------------	-----

TAP & DRILL SETS .....	244
------------------------	-----

TAP & HEX DIE SETS .....	241-243
--------------------------	---------

TAP & ROUND DIE SETS .....	245
----------------------------	-----

TAP GUIDE .....	249
-----------------	-----

TAP SETS .....	241
----------------	-----

TAP TREE .....	215
----------------	-----

**TAP WRENCHES**

Offset Handle .....	246
---------------------	-----

**TAP WRENCHES**

Straight Handle .....	246
T-Handle .....	247

TAPPING & CUTTING FLUID .....	249
-------------------------------	-----

**TAPS****Acme**

Tandem Style .....	221
--------------------	-----

**Hand - Carbon**

Metric .....	213
Standard .....	213

**Hand - High Speed Steel**

British Standard Hand .....	212
Eight Pitch .....	208
Left Hand Metric .....	211
Left Hand/Sets .....	207
Metric/Sets .....	210
Metric - Special Thread .....	211
Oversize .....	207
(STI) Screw Thread Insert .....	215
Special Thread .....	209
Standard/Sets/TiN .....	206
Ten Pitch .....	208

Nut Taps .....	219
----------------	-----

**Pipe Taps - Carbon**

British Standard Taper (Metric) .....	224
Regular Taper (NPT) - Sets .....	224

**Pipe Taps - High Speed Steel**

British Standard Parallel .....	223
British Standard Taper - Sets .....	223-224
Dryseal (NPTF) - TiN .....	222
Interrupted Thread - Sets .....	222, 224
Left Hand - Sets .....	223-224
Long Taper .....	223
Metric (British Standard Taper) .....	223
Regular Taper (NPT) - TiN - Sets .....	222-223
Straight (NPS) - Sets .....	222-223

**Pulley Taps**

Metric .....	219
Metric - Spiral Point .....	218
Spiral Point .....	218
Standard .....	219

Special Taps Quote/Order Form .....	225
-------------------------------------	-----

**Spiral Flute Taps**

Cobalt (CNC) .....	220
Fast Spiral .....	220
Regular Spiral .....	220

**Spiral Point**

Cobalt (CNC) .....	217
Extension .....	217
Metric - Pulley .....	218
Metric/TiN .....	216
Oversize + .005 .....	217
Pulley .....	218
(STI) Screw Thread Insert .....	215
Standard/TiN .....	216
Thread Forming .....	221

**THREAD MILLS**

Metric Thread .....	250
NPT Pipe Thread .....	251
Standard/Special Thread .....	250

THREAD RESTORING FILES .....	245
------------------------------	-----
