

TAP EXTENSIONS

ICS WIS

SPECIAL PURPOSE

FOR HAND TAPPING ONLY

Tap Extensions are added to the end of a tap to reach into deep narrow locations or in close quarters where it is difficult to turn a tap wrench. More economical than buying special length hand and pipe taps.

FOR TAPS			SQUARE	ITEM		ITEM	PRICE
FRACTIONAL	METRIC	PIPE	TAP SHANK	FRACTIONAL	METRIC	NO.	
#6 (1/8)	M3	-	.118	3-9/64	80mm	TX#06	3.68
